About the Camp

This camp offers a complete educational experience where children learn Spanish naturally while enjoying music, movement, creativity, and culture.

Through songs, games, dynamic activities, movement, crafts, and group projects, participants will improve their Spanish while developing musical skills such as rhythm, melody, pitch, singing, and the use of instruments.

What your child will learn

- Learn Spanish through engaging and motivating cultural themes.
- Develop musical skills progressively: rhythm, melody, pitch, instruments, and music theory.
- They will discover and learn to use **piano** or **keyboard**, **flute**, **maracas** and **tambourines**.
- Support cognitive, motor, emotional, social, and linguistic development.
- Encourage creativity, self-expression, and interest in Hispanic culture.
